

He Loves Me All the Way

[Tammy Wynette](#)

sometimes when he comes howe i'm cookin breakfast
i haven't slept a wink all night long
i've been layin bed thinkin like a woman
wonderin if my mans been doin me wrong
to think he might be out with another woman
makes my temper rise with jealousy
but all these years i've never caught him cheatin
i guess he needs some time away from mebut when he loves me he really loves me
there's nothin left for me to say
but when he loves me he really loves me
he loves me all the way
i'm not ever gonna worry about tomorrow
as long as he makes everything alright today
i'd rather wonder a little and have his lovin
cause when he loves me he loves me all the waywhen he loves me he really loves me
there's nothin left for me to say
but when he loves me he really loves me
he loves me all the way
i'm not ever gonna worry about tomorrow
as long as he makes everything alright today
i'd rather wonder a little and have his lovin
cause when he loves me he loves me all the waycause when he loves me he loves me all the way
