

# Headspace

## Velvet Revolver

Me, I'm a man  
Who is trudging  
Best I can  
Through a minefield  
Built to blast  
Can I make it  
Will I last? Free my mind, levitate  
Don't let any of those  
Fuckers in my headspace Please, let me be  
No more questions  
No more needs  
You're the cancer  
You're the leech  
Sent to bleed me  
Of disease  
Free my mind, levitate  
Don't let any of those  
Fuckers in my headspace  
Let me go my own way  
Burn the rest of them that  
Try to keep me enchained Living taking chances  
Isn't all that it's meant to be  
(Meant to be)  
Dying with your face on  
A t-shirt isn't all that original  
(All that original)-Solo-Me, I'm the man  
Will I make it  
Will I last  
Free my mind, levitate  
Don't let any of those  
Fuckers in my headspace  
Let me go my own way  
Burn the rest of them that  
Try to keep me enchained  
Living taking chances  
Isn't all that it's meant to be (Meant to be)  
Dying with your face on  
A t-shirt isn't all that original (All that original)
