

# Going Going Gone

Maddie Poppe

[Intro]

Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh[Verse 1]

I'm staring at the ceiling

The clock, it won't stop ticking

I feel like I've been sleeping for too long now

It's like my heart stop beating

And now I'm hardly breathing

And I'm afraid of leaving scared to break down[Pre-Chorus]

And what am I waiting for?

Cause I don't wanna wait no more

And I'm the only soldier in this lonely world

And I don't wanna fight myself no more

[Chorus]

Maybe I was meant to run

Maybe I was born to bleed

I don't know who I'll become

But I'll be going going gone

And even if it starts to hurt

I wanna feel it 'til my whole heart burns

Cause I will be forever young

So I'll be going going going going gone

Gone

Oh, oh, oh, oh, oh, oh[Verse 2]

Take me like I've been starving

Kiss me without a warning

I don't care where I'm going

Throw a dart at the map

Cause I'm ready to be wreckless

Care more so I can care less

Got money in my mattress

It's a start, yeah

[Pre-Chorus]

And what am I waiting for?

Cause I don't wanna wait no more

And I'm the only soldier in this lonely world

And I don't wanna fight myself no more[Chorus]

Maybe I was meant to run (maybe I was meant to run)

Maybe I was born to bleed (maybe I was born to bleed)

I don't know who I'll become

But I'll be going going gone (going gone)

And even if it starts to hurt

I wanna feel it 'til my whole heart burns  
Cause I will be forever young  
So I'll be going going going going gone  
Gone  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh[Bridge]  
I'm staring at the ceiling  
The clock, it won't stop ticking  
I feel like I've been sleeping for too long now[Chorus]  
Maybe I was meant to run  
Maybe I was born to bleed  
I don't know who I'll become  
But I'll be going going gone (going gone)  
And even if it starts to hurt  
I wanna feel it 'til my whole heart burns  
Cause I will be forever young  
So I'll be going going going gone  
Gone (gone)
