

# Do What You Want

## Drake Bell

The people  
Around the world  
They say I'm bitter  
But I can say  
I'm not a quitter  
Hahaha, and you can't And people  
No, they don't apologize  
That's why we have to advertise  
In the paper  
(Sunday news) I can't make you stop and listen  
That won't save you  
I can't believe  
Everybody wants to party all night long until the birds are singing  
So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free  
Than you're gonna be free People  
Don't you know it's not polite to point and stare  
No, it's the way to show you care  
About the way you live  
But I bet you don't give a And people  
We've got to give it up with credits too  
But you only did it cause I told you to  
Too bad, so sad  
Hope I didn't make you mad  
I can't make you stop and listen  
That won't save you  
I can't believe  
Everybody wants to party all night long until the birds are singing  
(til the birds are singing) So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free  
Than you're gonna be free So say what you want to say  
And hear what you want to hear  
Live how you want to live  
If you want to be free  
Then you're gonna be free I can't make you stop and listen  
That won't save you  
And I can't believe  
Everybody wants to party all night long until the

Birds are singing  
(until the birds are singing) So do what you want to do  
(do what you want to do)  
Be what you want to be  
(be what you want to be)  
Live how you want to live  
If you want to be free  
Then you're gonna be free So say what you want to say  
(say what you want to say)  
And hear what you want to hear  
(hear what you want to hear)  
Live how you want to live  
If you want to be free  
You're gonna be free  
If you want to be  
Got to be  
Have to be  
Nothing but free
