

Out Loud

Dispatch

Would you be the wind
To blow me home?
Would be a dream
On the wings of a poem?
And if we are walking through a crowd,
Well you know I'd be proud
If you'd call my name out loud If you'd call my name out loud
Do you suppose that I would come running?
Do you supposed I'd come at all?
I suppose I would•
And if we were walkin down a dead-end street
Would you be the one to let our eyes meet?
Or would you just keep on walking down to the turnaround?
Cause you know I'd be proud
If you'd call my name out loud If you'd call my name out loud
Do you suppose that I would come running?
Do you supposed I'd come at all?
I suppose I would• And If I was gone
From the land we know
Would you be there, darling?
Would your beauty still show?
And if you were out walking
In the cold night coming
Would you call my name?
Cause you know I would come running
If you'd call my name out loud
If you'd call my name out loud
Do you suppose that I would come running?
Do you supposed I'd come at all?
You know I would•(x4)
I'd come running•(x2)
If you'd call my name out loud
