My baby momma's momma told me she can't stand me  
Rollin up with hella BOOM screamin' like a banshee  
Get that Arab money

Keep a hand on in case they try to rob me  
Tryin' to get that paper  
Tryin' to cop that money  
Drivin' my scrapper around like  
A BUGATTI ABU DHABI is good but too much  
We keepin' everything hood that we touch

In the range I be rollin'

New crocodile skin thangs on my soles when  
I be slidin' through the function like a Spike Lee movie  
On my Kansas City Ice Tea Movie  
Like excuse me  
You must be from Ireland  
Cause every time I see you my penis is Dublin, DublinMVP? Check nigga  
2 years in a row? Check nigga  
A Wayne verse? Check... well?
