

# Countdown to Extinction (Demo)

## Megadeth

Endangered species, caged in fright  
Shot in cold blood, no chance to fight  
The stage is set, now pay the price  
An ego boost, don't think twice  
Technology, the battle's unfair  
You pull the hammer without a care  
Squeeze the trigger that makes you man  
Pseudo-safari, the hunt is canned  
The hunt is canned All are gone, all but one  
No contest, nowhere to run  
No more left, only one  
This is it, this is the countdown to extinction  
Tell the truth, you wouldn't dare  
The skin and trophy, oh so rare  
Silence speaks louder than words  
Ignore the guilt, and take your turn  
Liars anagram is "lair's"  
Man you were never even there  
Killed a few feet from the cages  
Point blank, you're so courageous  
So courageous All are gone, all but one  
No contest, nowhere to run  
No more left, only one  
This is it, this is the countdown to extinction One hour from now  
Another species of life form  
Will disappear off the face of the planet  
Forever and the rate is accelerating  
All are gone, all but one  
No contest, nowhere to run  
No more left, only one  
This is it, this is the countdown to extinction Copyright Aylen & Javier
