

You

Fisher

It's late now
Time to sleep
Close your eyes
Go to dreams
Clouds on walls
And blue skies
Mommy's sun,
her moon, her stars
And you
You make me run
And you
You make me want to live
Your smiles
Well they make my day
You don't know it yet
But you're everything
This little song - well
It's for you
These lovely years
here with you
And you
You make me run
And you
You make me want to live
And you
You make me run
And you
You make me want to live
For you
