

# Icy (feat. Gucci Mane)

## Logic

[Intro: Logic]

I'm icy, I'm clean

I'm icy [Chorus: Logic]

I'm icy (I'm icy, I'm clean)

I'm clean (I'm icy, I'm clean)

I'm a bad motherfucker (I'm icy, I'm clean)

I'm mean (I'm icy)

I'm icy (I'm icy, I'm clean)

I'm clean (I'm icy, I'm clean)

I'm a bad motherfucker (I'm icy, I'm clean)

I'm mean (I'm icy, I'm clean)

[Verse 1: Logic]

I had a plot as a kid to get rich

Hah, listen, lil' bitch

Got the game in my hand like a Switch

It's just me and my clique

Rap and get money, rap and get money

Said rap and get money, motherfucker

Ain't this shit funny?

Don't do it for money, don't do it for money

But if it come down to the money

I got a lot

I got a lot, like a lot

More than I need

I got children to feed, I got places to be

I got bitches to fuck, let me see your ID

Nah, I'm just playin', I'm playin'

You know that I'm playin', don't know what I'm sayin', no

Know that we chillin', we vibin'

We smokin' and drinkin', we gettin' this money though

Follow me, follow me, follow me

All the way, all the way into my paradise

I'm so cold, I think I'm made of ice

[Chorus: Logic & Gucci Mane]

I'm icy (I'm icy, I'm clean)

I'm clean (I'm icy, I'm clean)

I'm a bad motherfucker (I'm icy, I'm clean)

I'm mean (I'm icy)

I'm icy (I'm icy, I'm clean)

I'm clean (I'm icy, I'm clean, it's Gucci)

I'm a bad motherfucker (I'm icy, I'm clean)

I'm mean (I'm icy, I'm clean) [Verse 2: Gucci Mane]

I'm a human glacier, wrist full of frozen water (Well, damn)  
Comin' live from the hood like a news reporter (6)  
Bling bling, Mr. S-O-I-C-Y (Y)  
All the hoes jockin' Gucci Mane and I see why (Woah)  
I stay fresh and clean clean like André 3-thou' (Thou')  
I was a big boy since a kid, now the world found out (Huh?)  
Mom named me Radric 'cause I'm radical (Yeah)  
Teamed up with Logic, he threw me a lateral (Dope)  
Big gold solitaires, that's collateral (Bling)  
She a Wop stan, she so fanatical (Mwah)  
Fall out when they see me, they dramatical  
She ain't icy enough, we're not compatible[Chorus: Logic]  
I'm icy (I'm icy, I'm clean)  
I'm clean (I'm icy, I'm clean)  
I'm a bad motherfucker (I'm icy, I'm clean)  
I'm mean (I'm icy)  
I'm icy (I'm icy, I'm clean)  
I'm clean (I'm icy, I'm clean)  
I'm a bad motherfucker (I'm icy, I'm clean)  
I'm mean (I'm icy, I'm clean)[Verse 3: Logic]  
I'm icy, I'm icy, I'm so cold, I'm chilly  
You know I got the C-notes like I'm Eilish, I'm Billie  
That boy Logic flow so cold, loco, crazy, silly  
You ever gon' stop rappin'?  
I'm thinkin' no, no, not really, ayy  
I be quick to put an ugly bitch in her place  
'Cause a beautiful woman is something to see  
And she's not defined by her face  
Can't fuck with no girl who be all on the 'Gram  
Tryna post while I'm eatin' spaghetti  
Damn, girl, can't you be normal?  
I'm famous as fuck, yeah, we get it already  
But who give a shit about that  
I am a good man, how 'bout that?  
No way in hell I'm defined by the stat  
Smokin' that pack, let me get it back  
Let me get up in it, let me hit it like that  
If you wanna come and get it with the RattPack  
Like ayy, I'ma be here forever and a day  
I be at the Grammy party with Jay and Bey  
Oh shit, yeah, that's me  
Sellin' out NYC  
That shit I can't believe[Chorus: Logic]  
I'm icy (I'm icy, I'm clean)  
I'm clean (I'm icy, I'm clean)
