

# The Palisades (feat. Christian Rich)

## Childish Gambino

Oh no no, yeah  
I know the secret we share  
Look what this feeling has done to me  
There's something deep in the air  
Just hope your hands lift me comfortably I don't know why but every time I see you smiling  
I'm tired of running tired of playing tired of hiding  
If we could be together would that make you happy?  
And If it wouldn't, tell your girlfriend to get at me  
(I'm just playing tho) Love don't really happen  
Love don't really happen  
Love don't really happen  
Love don't really happen  
I think there's something for us  
Lying around as the world comes down  
If you understand what I'm saying  
You won't end up in the lost and found, nope I don't know why but every time I see you dancing  
(I see you dancing)  
I'm tired of running tired of playing late romancing  
(I don't want to)  
If we could be together would that make you happy?  
(I don't fuck with that)  
And If it wouldn't, tell your girlfriend to get at me Love don't really happen  
Love don't really happen  
Love don't really happen  
Love don't really happen  
Now why can't everyday be like this  
Smoke a J at the beach like this  
Hang with bae at the beach like this  
Conversations with Kish like this  
Never thought it could be like this  
Be the man like I am like this  
Dance around shake your hips like this  
Mess around make a hit like this Like this, like this, no  
Always be like this, no  
Like this  
Like this  
Like this, no  
Always be like this, no  
Like this  
Always be like this  
Like this
