

Set the World On Fire

Black Veil Brides

Saints born together to fight against their holy fables
The streets are where we pray
Hymns for the lonely
Wretched and forgotten
The feeling in our hearts won't ever fade away We stand tall (United)
Watch them fall (Divided)
Break the chains and now we'll show them all (Fight) Fight for all you know
When your back's against the wall
Stand against the liars
Stronger than before
When your life becomes a war
Set The World On Fire
Sing out united against the ones you left in hatred, our message of today
Like children crying when all they knew was dying
And we will raise our flags up its time for them to pay We stand tall (united)
Watch them fall (divided)
Break the chains and now we'll show them all (fight) Fight for all you know
When your back's against the wall
Stand against the liars
Stronger than before
When your life becomes a war
Set The World On Fire Woah oh...
So sing it loud you hold the key
We're the rebels and we're free
Woah oh...
It's time to burn all that you see
Now the world belongs to me
Fight for all you know
When your back's against the wall
Stand against the liars
Stronger than before
When your life becomes a war
Set The World On Fire Proud in all you are
Showing every scar
As your badge of honor
When you can't take anymore
Of what they're living for
Set The World On Fire
