

# If

## Dean Martin

If they made me a king I'd be but a slave for you  
If I had everything I'd still be a slave for you  
If I ruled the night  
Stars and moon so bright  
Still I'd turn for life to you If the world to me bowed yet humbly I'd plead to you  
If my friends were a crowd I'd turn my needs to you  
If I ruled the earth  
What would life be worth  
If I hadn't the right to you  
If the world to me bowed yet humbly I'd plead to you  
If my friends were a crowd I'd turn my needs to you  
If I ruled the earth  
What would life be worth  
If I hadn't the right to you
