

Baby I'm a Star

[Lyfe Jennings](#)

Ay yo YouYo partner tell em your name so they know how you getting down, say it again
Yeah... this my homie right here I been waiting to do a song with you man that's cool man the
feeling is mutual so aight let's get into it man, let's show em what we put together right here

let's get itBaby I'm a star

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Baby I'm a star...

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Noooooo...

Baby I'm a star

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Baby I'm a star...

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Nooooooooooooo

Baby I'm a star Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Baby I'm a star...

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Nooooooooooooo
