

# Mr Loverman

## Mohombi

Night and day, no matter baby  
Whenever you want, you know that I'm ready  
I wanna get high, wanna get down, oh yeah  
I'll come runnin' when you will need me  
Must be the way you holdin' me, holdin' me  
I wanna wake up next to you, next to you  
She call me Mr Loverman even when I'm not around  
Mr Loverman 'cause I'm always on her mind  
I feel like a tsunami when you ride with me  
Mr Loverman, will never let you down, mama  
Mr Loverman, will never let you down, mama  
Your charisma causin' me trauma  
You're the only one that never make drama  
Love when you come, hate when you go, oh, yeah  
Piece of art, can only admire  
Must be the way you holdin' me, holdin' me  
I wanna wake up next to you, next to you  
She call me Mr Loverman even when I'm not around  
Mr Loverman 'cause I'm always on her mind  
I feel like a tsunami when you ride with me  
Mr Loverman, will never let you down, mama  
Mr Loverman, will never let you down, mama  
Must be the way you holdin' me, holdin' me  
I wanna wake up next to you, next to you  
She call me Mr Loverman even when I'm not around  
Mr Loverman 'cause I'm always on her mind  
I feel like a tsunami when you ride with me  
Mr Loverman, will never let you down, mama  
Mr Loverman, will never let you down, mama
