

# No Beginning

Netsky

Like a circle  
No beginning  
Can't you show me how to break in?  
Comfort me with love and tender love  
X 2 Like a circle  
No beginning  
Can't you show me how to break in?  
Comfort me with love and tender love  
X 2  
Like a circle  
No beginning  
X 3  
Life goes on  
never break it? Like a circle  
No beginning  
Life goes on  
never break it  
Like a circle  
No beginning  
Can't you show me how to break in?  
Comfort me with love and tender love  
X 2
