

All I Ever Wanted (feat. Rick Ross)

[Teedra Moses](#)

You say you want a pretty angel
But you got me out here living in hell
You said, "baby, don't go, don't go"
And you act like you don't want me here
All I want is to feel free again
All I need is to get the loving that I give in return
That is all hell the way you treat me
This don't make no sense, no, baby
This don't make no sense I had to get my way, though
That's what you did, no?
I took what you gave and I flipped that
I won't get mine alone
But all I ever wanted
All I ever wanted was your love
All I ever wanted
All I ever wanted was your love
All I ever wanted
All I ever wanted was your love
But you gave me your mind
When I gave you my heart
Now I'm out here getting this money
So I don't need you no more
I don't need you no more
All I ever wanted was your love
Money, my heart
Now I'm getting money
I don't need you no more
I don't need you no more
I don't need you no more
Talk is cheap and flowers die
What's the point of your apologies
If they all end up in lies?
I don't even know why
You're so half a sum to truly see
Money don't make no man
And love rains over everything
All I ever wanted was your love
But you gave me money
And money can't buy my love
So now I'm getting money
What the hell I need you for?
I don't need you no more
All I ever wanted was your love
Fuck your money
'Cause money can't buy my heart
I never wanted your money
All I wanted, all I wanted was your love
But I don't need you no more
