

# If Anyone Asks

## Randy Rogers Band

If anyone asks Im brokedown  
Or maybe Im just outta town  
You can say Im anywhere but where I am  
If anyone asks dont lead em on  
That anything is even wrong Do that if you can  
cause no one needs to know  
we finally hit the end  
You left the door wide open  
and I locked myself in  
ChorusUntil I find a way to get my story straight  
Girl I never dreamed that I would see the day  
That you were by my side and I would have to hide  
cause theres nothing I could say  
If anyone asksIf anyone asks I hold you tight  
Each and every night  
For all they know you wont let go And Im still there  
If anyone asks dont say a thing  
Just let that phone ring  
If you answer now It wont be faircause no one needs to know  
I gave you my best  
You can tell them the truth  
And make up the restChorus  
Well Ive been starin at myself  
Tryin to catch my breath  
The part that I cant figure out  
Is all that I have leftChorus
