Amerie

(feat. Carl Thomas) Let me sit down
and tell you how this thing had really started
when i come around

so baby can you gimme just a little more (time)
cause I'm having problems trying to read your (mind)

can we go back
to where love is

but i remember
what you said to me
when you walked away the other days
what i remember most
trying to get past the things you said
holding onto all the love I thought we had

tryin' to erase all the pain so we ...can we (can go back)
