

# When It's Time (feat. John Gallagher Jr.)

## Green Day

Words get trapped in my mind  
Sorry I don't take the time to feel the way I do.  
'Cause the first day you came into my life  
My time ticks around you But then I need your voice  
And the key to unlock all the love trapped in me So, tell me when it's time to say "I love  
you." All I want is you to understand  
That when I take your hand, it's 'cause I want to.  
We are all born in a world of doubt  
But there's no doubt  
I figured out...  
I love you.  
All I want is you to understand  
That when I take your hand, it's 'cause I want to.  
We are all born in a world of doubt  
But there's no doubt  
I figured out...  
I love you.  
I've been longing for  
All the losers that were meant to take the time to say  
What was really on their mind, instead  
They just hide away  
Yet they'll never have  
Someone like you to back them and help them on the way.  
Or tell them when it's time to say "I love you."  
So, tell me when it's time to say "I love you."
