

# Politik

## Coldplay

Look at earth from outer space  
Everyone must find a place  
Give me time and give me space  
Give me real, don't give me fake Give me strength, reserve control  
Give me heart and give me soul  
Give me love, give us a kiss  
And tell me your own politik Open up your eyes  
Open up your eyes  
Open up your eyes  
Open up your eyes  
Give me one, cause one is best  
In confusion, confidence  
Give me piece of mind and trust  
But don't forget the rest of us Give me strength, reserve control  
Give me heart and give me soul  
Wounds that heal and cracks that fix  
Tell me your own politik Open up your eyes  
Open up your eyes  
Open up your eyes  
Open up your eyes  
And give me love over  
Love over, love over this, ahh  
Give me love over  
Love over, love over this, ahh
