

White Flag

Josh Auer

Hey it isnt ok
To raise the white flag this round
And hey were all to blame
Were held slave to our choices
Ignoring the voices
Yeah weve got much to learnOoo Ooo
Weve got much to learnHey this isnt a game
Its a full house youre dealing with
And the thoughts that float in your head
Will soon be on your shoulders
Were getting older
But weve got much to learn
Ooo Ooo
Weve got much to learn
Love wont stand by forever
And watch us destroy it
Love wont stand by
Yeah weve got much to learn
Oh weve got much to learnWeve got much to learn
Yeah weve got much to learn
