## Are You Gonna Go My Way (feat. Robbie Williams)

## **Tom Jones**

Hey Robbie are you ready for this I'm always ready Tom, You know that I think you were born ready Ha ha, Come On I was born long ago I'm the chosen, I'm the one I have come to save the day And I won't leave until I'm done And that is why you got to try You got to breathe and have some fun Though I'm not paid, I play this game And I won't stop until I'm done But what I really want to know is... Are you gonna go my way? And I got to, got to know I don't know why we always cry We must leave and get undone We have to change and rearrange And turn this planet back to one So tell me why, we got to die And kill each other one by one We've got to love and rub-a-dub We've got to dance and fall in love But what I really want to know is... Are you gonna go my way? And I've got to, got to know Is that you telling it like it is, Yeah, exactly Yeah, yeah Uh huh Yeah Aw, play the guitar, son C'mon Whooh, Yeah, Whooh, Yeah, Whooh, Yeah What I really want to know is Are you gonna go my way? And I got to, got to know I got to know
