

# Army of One

## Coldplay

Been around the world, wonders to view  
Been around the world, looking for someone like you  
Pyramids try, Babylon too  
But the beautiful-est treasures lie in the deepest blue So I'll never say die, I'm never untrue  
I'm never so high as when I'm with you  
And there isn't a fire, that I wouldn't walk through  
My army of one is going to fight for you Been around the world, universe too  
I've been around flying, baby, there's nothing I wouldn't do  
Dance with the stars, while I see the moon  
I'll be standing there besides you  
Right when the storm comes through  
Cause I'll never say die, I'm never untrue  
I'm never so high as when I'm with you  
And there isn't a fire, that I wouldn't walk through  
My army of one is going to fight for you  
My army of one is going to fall for you, yeah Cause you're right, cause you're right  
Cause you're right  
My army of one is gonna call it through  
Say my heart is my gun, army of one  
Yeah my heart is my gun, army of one  
Is my only weapon, army of one  
Say my heart is my gun, army of one
