

# Navy Bean

Tracy Bonham

A navy bean is bigger than it seems  
Put it on and don't ask what it means  
Parade around Cellophane is thicker than it seems  
Put it on and don't ask what it means  
Parade around  
Parade ohohohoh  
Parade around  
Around Shaving cream is thicker than it seems  
Shave 'em off and don't ask what it means  
Parade around An angel wing is caught up in the tree  
If you know what's best get the hell away from me  
Parade ohohoh  
Parade ahahah  
Parade ohohoh  
Parade around Around  
Around  
Around Oh you little navy bean  
Oh you're caught up in the tree  
Navy bean  
Navy bean Oh you little navy bean  
oh you're caught up in the tree  
Navy bean, navy bean  
Navy bean, navy bean Cellophane is thicker than it seems  
Put it on and don't ask what it means  
Parade ohohoh  
Parade ahahah  
Parade ohohoh  
Parade around Around  
Around  
Around
