Think About It (feat. Wiz Khalifa & Ella Eyre)

[Naughty Boy](#)

Got me up all night just to start a fight
You don't want to think about
You drink about it
You smoke about it
Don't talk about it
Every night's the same
Whose the one to blame
You don't want to think about it
You drink about it
You smoke about it
Don't talk about it
Don't make it easy for yourself
Uh uh yeah yeah
Don't make it easy for yourself
Uh uh yeah yeah
Got me up all night just to start a fight
You don't want to think about
You drink about it
You smoke about it
Don't talk about it
Every night's the same
Whose the one to blame
You don't want to think about it
You drink about it
You smoke about it
Don't talk about it
Don't make it easy for yourself
Uh uh yeah yeah
Don't make it easy for yourself
Uh uh yeah yeah
Got me up all night just to start a fight
You don't want to think about
You drink about it
You smoke about it
Don't talk about it
Every night's the same
Whose the one to blame
You don't want to think about it
You drink about it
You smoke about it
Don't talk about it
Don't make it easy for yourself

Uh uh yeah yeah
Don't make it easy for yourself
Uh uh yeah yeah
Got me up all night just to start a fight
You don't want to think about
You drink about it
You smoke about it
Don't talk about it
Every night's the same
Whose the one to blame
You don't want to think about it
You drink about it
You smoke about it
