

# Timothy Where You Been (feat. Jet)

## Timbaland

Timothy, I took your place  
Timothy, 'cause such a waste  
Timothy, we found your spaceship  
Timothy, it's the farthest you've ever flown  
Put your lighters up  
Put your lighters up, ya'll  
(Ya'll)  
Put your lighters up  
This the Timothy song if ya' don't 'bout me  
Ya, they call me Tim  
VA's phenomenon  
I kill 'em all winter  
Until the summer come  
From just another name  
All the way to number one  
And I'm simply the best  
When it's all said and done  
Remember when me and Magoo  
Was tryin' to make a meal  
Well, we did  
And years later we got it still  
Gave you my bio  
Under construction 1 and 2  
Hundred percent genuine  
That was from me to you  
I'm makin' moves while they ridicule  
I'm like a warm summer breeze  
In the swimmin' pool  
I'm cool  
I never kept it basic  
I been so many places  
Been gettin' money  
Since them honeys had them small faces  
So many little me's  
I can hear small traces  
But I just ignore it  
'Cause I'm too big for it  
And I can hear 'em screamin'  
(Screamin') Timothy where have you been?  
It's not what it seems but it is  
Timothy where have you been?  
She cried in the kitchen to let you go  
Timothy where have you been?  
I been in Athens, Georgia by way of Bubba Sparxx  
When the nights was bright  
And all the days was dark  
But now they all bright  
Everything is all right  
If you assumin' life was wonderful  
Then you alright

I got a bad wife  
3 beautiful kids I make the world dance  
Ya' look what I done did  
Here's for Jay-Z, Nelly Furtado  
Catch up, ya'll slow Escargot, Nelly your 14 mil  
Where's Fargo?  
I brought a airplane  
Fuck, I need a car for? Ask Justin Timberlake, is Timbaland great?  
Ya'll gotta deal wit me, no handshake  
Stand up nigga, rather have a stand off  
Wit the law before I let 'em say I ran off  
And I can hear 'em screamin' Timothy where have you been?  
It's not what it seems but it is  
Timothy where have you been?  
She cried in the kitchen to let you go  
Timothy where have you been? Hey, some say I run away  
But really I never left  
They wonder where I been  
But they can never guess I been around the world  
Here to the other side  
And I successfully achieved  
What all those others tried Carry my city on my back  
Like a crucifix  
For more than a decade  
'Cause I can do this shit A lot of people want my spot  
But I don't hesitate  
The track label by legacy  
Won't appreciate I stand strong Everything I put my hands on  
Me and Mr. I Be  
'Cause ain't no I in team  
'Cause I can hear 'em sayin' Timothy where have you been?  
It's not what it seems but it is  
Timothy where have you been?  
She cried in the kitchen to let you go  
Timothy where have you been? Timothy where have you been?  
She cried in the kitchen to let you go  
Where have you been?  
Timothy where have you been?
