Bad Trinidadian, need to let daddy in

If I need to spend some cash, fuck it, then, I'm zaddy, then

She in love with a man she can't be with

But she know that pussy gon' leave him seasick

Every time she round, she get treat like the sidekick

Until that side chick went and got some side dick

Sun-kissed princess, gold toe ring

Smacker lip gloss, backside swole thing[Chorus: Teyana Taylor]

Keep your eyes all on this fatty

If you like what you see take your hands and grab it

Hurry, hurry, hurry, hurry

Ride it automatic till the sun come up, ooh

[Verse 2: Teyana Taylor]

I don't know no patience, ain't got no more time to waste

Serious need that one or two or three more times after foreplay

Told him fuck me good with them Jimmy Choo's on

I can't wait till you're all on me, yeah (yer-yer-yer-yerhhh)

You know I love it, love it, love it, love it (uuhh, uuhh)[Chorus: Teyana Taylor]

Keep your eyes all on this fatty (uuhh)

If you like what you see take your hands and grab it

Hurry, hurry, hurry, hurry

Late night get like all this real magic

Ride it automatic till the sun come up, ooh

Early, early, early, early

Keep your eyes all on this fatty

If you like what you see take your hands and grab it

Hurry, hurry, hurry, hurry

Late night get like all this real magic
Ride it automatic till the sun come up, ooh
Early, early, early, early[Outro: Kanye West]
