I'm Not Alright (Zack Martino Remix)

Loud Luxury & Bryce Vine

You like to drink and to smoke to take away the pain
And I don't remember all of my mistakes
And every I got alot with no one to blameYou're not alright, I'm not alrightXO
When I'm high in the shade and I'm feelin' away
Baby hello
I just wanted to see if your plans ever change
You're my XO
Gotta fight for the love
What a rush and I don't want to let go
So don't let me goGot no patience, conversation drivin' you up the wall
I'm imperfect, you're a goddess, no sarcasm at all
You say you're sorry, but don't know what you're sorry for, no
No point in keeping the score
You like to drink and to smoke to take away the pain
And I don't remember all of my mistakes
And every high got low with no one to blame
You're not alright, I'm not alrightYou're not alright, I'm not alright
I like to drink and to smoke to take away the pain
And you don't remember all of your mistakes
And when our hearts aren't broke, they're out of place
You're not alright, I'm not alrightLet's roll
You and I don't belong in a place like this
Baby, let's roll
We don't need to believe everything they think
When it's so-so (Uh)
Headed down that road and you don't gotta go down solo
No, don't let me go
Got no patience, conversation drivin' you up the wall
I've been perfect, you're a goddess, no sarcasm at all
You say you're sorry, but don't know what you're sorry for, no
No point in keeping the scoreYou like to drink and to smoke to take away the pain
And I don't remember all of my mistakes
And every high got low with no one to blame
You're not alright, I'm not alrightYou're not alright, I'm not alright
I like to drink and to smoke to take away the pain
And you don't remember all of your mistakes
And when our hearts aren't broken, they're out of place
You're not alright, I'm not alright
