

Visions

Big Deal

Darkness.
Come in.
I miss you.
You're right here.
What am I doing?
Why did I give it all to you?
Inside my head,
Inside my head,
I still have these
Visions of you.
Visions of you.Holding out for nothing.
I thought we had a deal.
What makes you happy?
I know it's right here.
Never say "Never,
I would never let you down."Visions of you.
Visions of you.i don't want to see you fall apart.
I don't want to see you fall apart.
I don't want to see you.
I don't want to see these
Visions of you.
Visions of you.
Visions of you.
Visions of you.
Visions of you.
