All my clothes is custom, straight from France
My hands like Mayweather's, all my friends 8 and better!
I get a lot of money, honey

Body a guy for my guy make you a meme bitch
I'm his dream bitch

Mean bitch, take one for the team bitch! [Hook: Lil' Kim]

Wake me up, mmm, when the mornin' come
You bitches ain't humble 'nough
Mmm, when the mornin' come
