

# I'm Here

## Fantasia

I don't need you to love me  
I don't need you to love  
I've got, I've got, I got my sister,  
I can feel her now  
She may not be here,  
But she's still mine And I know, she still love me  
I got my children,  
I can't hold them now  
They may not be here,  
But they still mine and I hope  
They know I still love them  
Hey,  
I got my house,  
It still keeps the cold out  
I got my chair  
When my body can't hold out  
Got my hands doin' good like they supposed to  
Showing my heart to the folks that I'm close to  
I got my eyes though they don't see as far now  
They see more 'bout how things really are now I'm gonna  
Take a deep breath  
Hey  
I'm gonna hold my head up  
I'm gonna put my shoulders back  
And look you straight in the eye  
Gonna flirt with somebody  
When they walk by  
I'm gonna sing out  
Sing, oh yeah  
I believe I have inside of me  
Everything that I need to live a bountiful life  
With all the love alive in me  
I'll stand as tall as the tallest tree  
And I'm thankful for each day that I'm given  
Both the easy and the hard ones I'm livin' But most of all  
I'm thankful for,  
Lovin' who I really am  
I'm beautiful  
Yes I'm beautiful  
And I'm here
