

Pain

Jimmy Eat World

I don't feel the way I've ever felt, I know
I'm gonna smile and not get worried, I try but it shows
Anyone can make what I have built, and better now
Anyone can find the same white pills It takes my pain away
It's a lie, a kiss with open eyes, and she's not breathing back anything but bother
me It takes my pain away Never mind, these are horrid times, I can't let it bother me
I never thought I'd walk away from you, I did But it's a false sense of accomplishment every
time I quit
Anyone can see my every flaw, it isn't hard Anyone can say they're above this all It takes my
pain away It's a lie, a kiss with open eyes, and she's not breathing back anything but bother
me It takes my pain away
Never mind, these are horrid times, I can't let it bother me
I can't let it bother me
It takes my pain away
It's a lie, a kiss with open eyes, and she's not breathing back anything but bother
me
It takes my pain away
Never mind, these are horrid times, I can't let it bother me
It takes my pain
It takes my pain
It takes my pain
It takes my pain away
