

# Mr. Freeze

## K's Choice

I'm about to tell you  
About a man, I've known  
Since I've been able  
To open up a refrigerator I am wondering today  
In the sun on a boat to Dover  
Could you freeze me in  
And defrost me when it's over? Mr. Freeze, I feel your chill  
As I inhale the urge to kill all my emotions  
I ask you please, but all you do is make me sneeze  
Mr. Freeze I am wondering today  
In the sun on a boat to Dover  
Whose shadow it is  
That appears as I bend over  
It's Mr. Freeze, I hear no sound  
As I focus on the amount of my emotions  
I ask you please, take the lead or let me bleed  
Mr. Freeze My temperature is really low now, you're here  
But you're not welcome any longer  
I will release  
I will release Mr. Freeze No bangs, no yells, merely the sea  
Is Mr. Freeze inside of me?  
No bangs, no yells, merely the sea  
Is Mr. Freeze inside of me? No bangs, no yells, merely the sea  
Is Mr. Freeze inside of me?  
No bangs, no yells, merely the sea  
Is Mr. Freeze inside of me?  
I am wondering today  
In the sun on a boat to Dover  
How it comes that I feel so high  
When I ought to feel lower
