

# Sour Diesel

ZAYN

Walks in the place, hands on her waist  
Gun on her thigh, big shooter game  
She did this before, murdered to gain  
Promised her ma she won't kill again  
She got it and she knows she got it  
I'm takin' off like a rocket  
Spaceship, so high I can't stop it  
Like sour diesel  
I can't stop the feelin'  
Can't stop your feet, no  
Feels like I dream her  
Didn't feel it seep in  
She burn, she burn, she burn  
Like sour diesel  
(She burn, she burn, she burn)  
Like sour diesel  
(She burn, she burn, she burn)  
I can't stop the feelin' (she burn, she burn, she burn)  
Can't stop your feet, no  
Like a sour diesel  
(She burn, she burn, she burn)  
Yeah, she burn, she burn  
Like sour diesel  
The look's on her face, back in my place  
Legs in the air, all dirty again  
Smokin' some more, I'm in her space  
She touches me there, then I do it again  
She got it and she knows she got it  
I'm takin' off like a rocket  
Spaceship, so high I can't stop it  
Like a sour diesel  
(She burn, she burn, she burn)  
Like a sour diesel  
(She burn, she burn, she burn)  
I can't stop the feelin', no (she burn, she burn, she burn)  
Can't stop your feet, no  
Like a sour diesel  
(She burn, she burn, she burn)  
Yeah, she burn, she burn  
Like sour diesel  
(She burn, she burn, she burn)  
Feels like the heat, yeah  
When the flame is here (she burn, she burn, she burn)  
I can't stop the heat, yeah  
Can't stop the feet  
(She burn, she burn, she burn)

Like a sour diesel  
Can't stop the feelin', oh (she burn, she burn, she burn)  
No I can't stop 'Cause it's burnin' all around you  
I'm so glad I found you  
'Cause it's burnin' all around you  
I'm so glad I found you Woo, yeah, yeah Yeah! Like sour diesel  
(She burn, she burn, she burn)  
Like sour diesel  
(She burn, she burn, she burn)  
Like sour diesel  
(She burn, she burn, she burn)  
Like a sour diesel, like a sour diesel (she burn, she burn, she burn)  
Ooh, yeah (she burn, she burn, she burn)  
I can't stop the feelin' (she burn, she burn, she burn)  
Yeah, sour diesel, wow (she burn, she burn, she burn)  
Like sour diesel (she burn, she burn, she burn)  
She burn
