

Friend of a Friend

New Hope Club

I see you talking to your friends
I think I know one of them
Maybe this could be my chance When you walk right through that door
You see my eyes; I see yours
Maybe this could be our dance Follow me, won't disappear
I can't believe
That you were just a Friend of a friend
Feels like 11:11
And now you're more than a friend
I'll never let you go, let you go
Just a friend of a friend
Feels like 11:11
And now you're more than a friend
Don't ever let me go, let me go
Don't ever let me go, let me go Baby, put your hand in mine
Touching you is paradise
A place I've never been before I didn't know you 'fore tonight
Now you're changing my whole life
Never fell in love like yours Oh, follow me, won't disappear
I can't believe
(Oh whoa yeah) That you were just a Friend of a friend
Feels like 11:11
And now you're more than a friend
I'll never let you go, let you go
Just a friend of a friend
Feels like 11:11
And now you're more than a friend (yeah)
Don't ever let me go, (don't let me go) let me go
I'll never let you go, let you go
Don't ever let me go, let me go Follow me, won't disappear
I can't believe
That you were just a Friend of a friend
Feels like 11:11 (11:11 baby)
And now you're more than a friend
I'll never let you go, let you go (yeah)
Just a friend of a friend
Feels like 11:11 (it feels like)
And now you're more than a friend
Don't ever let me go, let me go (whoa) I'll never let you go, let you go (go)
Don't ever let me go, let me go
