

Re-Offender

Travis

Keeping up appearances
Keeping up with the Joneses
Fooling my selfish heart
Going through the motions But I'm fooling myself
I'm fooling myself Cause you say you love me
And then you do it again
You do it again
And you say your sorry's
And then you do it again
You do it again
Everybody thinks you're well
Everybody thinks I'm ill
Watching me fall apart
Falling under your spell But you're fooling yourself
You're fooling yourself Cause you say you love me
And then you do it again
You do it again
You say your sorry's
And then you do it again
You do it again and again and again
And again and again But you're fooling yourself
You're fooling yourself
'Cause you say you love me
And then you do it again
You do it again
You say your sorry's
And then you do it again
You do it again
You say you love me
And then you do it again
You do it again
You say your sorry's
And then you do it again
You do it again and again and again
And again and again
