

Live It Up (feat. Will Smith & Era Istrefi)

Nicky Jam

[Intro: Era Istrefi]

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh [Chorus: Nicky Jam]

One life, live it up, 'cause we got one life

One life, live it up, 'cause we got one life

One life, live it up, 'cause you don't get it twice

One life, live it up, 'cause you don't get it twice [Verse 1: Era Istrefi]

[?] your numbers, is a force we can mix

We raise our flags and put our pride on our back

We feelin' like a champion when we shine our light

We got the power, make condition correct

[Chorus: Era Istrefi]

One life, live it up, 'cause you got one life

One-one-one life, live it up, 'cause you got one life

One-one-one life, live it up, 'cause you don't get it twice

One-one-one life, live it up, 'cause you don't get it twice Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh [Verse 2: Will Smith]

One life, one dream

One moment, one team

One youth, lights high

Thousand road blocks, one shot

One truth, no fears

One flag, oh yeah

We've been waiting for this all year

Where y'all at? we're right here!

[Verse 3: Nicky Jam]

Ya empezó la rumba y estamos celebrando

Todo el mundo que me levante la mano

'Tamos vivos, hay que disfrutarlo

Hoy nadie me detiene porque yo no sé parar, no, no [Chorus: Nicky Jam]

One life, live it up, cause we got one life

One life, live it up, cause we got one life

One life, live it up, cause you don't get it twice

One life, live it up, cause you don't get it twice Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh

Oh-oh, oh-oh-oh-oh
Oh-oh, oh-oh-oh-oh[Bridge: Will Smith]
For the love, I'm a rebel I'm coming from
Every nation under the sun
Elevating their favourite song when we hit and run
You own it, you got it
The whole world it's watching
So let's get this pumping
Where y'all at? we're right there![Chorus: Nicky Jam & Era Istrefi]
Only one life to live, got so much to give
Fighting for the nation now, that is my gift
Run like a champion and win like a king
That's my only gold my everything
Living up now, now Oh-oh, oh-oh-oh-oh
Oh-oh-oh-oh (living up now, now)
Oh-oh, oh-oh-oh-oh
Oh-oh, oh-oh-oh-oh Oh-oh, oh-oh-oh-oh (jealousy, ambition)
Oh-oh, oh-oh-oh-oh (victories, celebration)
Oh-oh, oh-oh-oh-oh (one love, one nation)
Oh-oh, oh-oh-oh-oh
Ay[Outro: Era Istrefi]
That's win you reached that goal
That's win you reached that goal
That's win you reached that goal
That's win you reached that goal
