

Bad Ones (feat. Tegan and Sara)

Matthew Dear

I haven't stolen things in years
Hate flowers but I'm gonna leave you souvenirs
Freaking out and paralyzed
Your body tells me I haven't told you lies this year
Wouldn't send you flowers if my love was insincere
Freaking out and paralyzed
Your body makes me If I was one of the good ones
I don't think you'd like me
I'm one of the bad ones
And that's why you feel lucky If I was one of the good ones
I don't think you'd like me
I'm one of the bad ones
And that's why you feel lucky
I've played a role in all your tears
Hate flowers but they seem to work on you my dear
Freaking out and paralyzed
Your body tempts me I haven't told you lies this year
Wouldn't send you flowers if my love was insincere
Freaking out and paralyzed
Your body takes me If I was one of the good ones
I don't think you'd like me
I'm one of the bad ones
And that's why you feel lucky If I was one of the good ones
I don't think you'd like me
I'm one of the bad ones
And that's why you feel lucky
If I was one of the good ones
I don't think you'd like me
I'm one of the bad ones
And that's why you feel lucky If I was one of the good ones
I don't think you'd like me
I'm one of the bad ones
And that's why you feel lucky
