

One Sweet World

Dave Matthews Band

Nine planets around the sun
Only one does the sun embrace
Upon this watered one
So much we take for granted
So let us sleep outside tonight
Lay down in our mother's arms
For here we can rest safely
If green should turn to grey
Would our hearts still bloody beat
And if the mountains crumble away
Rivers dry
Would it stop the stepping feet
Oh let us sleep outside tonight
Lay down in our mother's arms
For here we can rest safely
Take all that we can get
When it's done
Nobody left to bury here
Nobody left to dig the holes
And here we can rest safely
One sweet world
Around this star is spinning
One sweet world
And in her breath I'm swimming
And here I will rest in peace
So let us sleep outside tonight
Lay down in our mothers arms
For here we can rest safely
