

# Cherish

## Madonna

Cherish, cherish So tired of broken hearts  
And losin' at this game before I start  
This dance I'll take a chance in telling you I want more than just romance  
You are my destiny  
I can't let go baby, can't you see? Cupid, please take your aim at me Cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy You keep bringing it into my life  
I'm always singing it  
Cherish the strength  
You got the power to make me feel good  
Oh baby, I perish the thought  
Of ever leaving, I never would  
I was never satisfied  
With casual encounters, I can't hide My need for two hearts that bleed  
With burning love that's the way it's got to be  
Romeo and Juliet They never felt this way I bet  
So don't underestimate my point of view I cherish the thought  
Of always having you here by my side Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it  
Cherish the strength You got the power to make me feel good  
Oh baby, I perish the thought  
Of ever leaving, I never would  
Who? You  
Can't get away, I won't let you Who? You  
I could never forget to  
Cherish is the word I used to remind me of your love Keep giving it, keep giving it to me Boy,  
keep giving me all, all of your joy  
Give me faith, I will always cherish you Romeo and Juliet  
They never felt this way, I bet  
So don't underestimate my point of view I cherish the thought Of always having you here by my  
side  
Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it  
Cherish the strength  
You got the power to make me feel good  
Oh baby, I perish the thought  
Of ever leaving, I never would Cherish  
Give me faith, give me joy  
My boy, I will always cherish you  
Cherish your strength Keep giving it, keep giving it to me

Boy, keep giving me all, all of your joy Cherish the love  
Give me faith, give me joy  
My boy, I will always cherish you
