# One Step At a Time 

## Jordin Sparks

Hurry up and wait<br>So close, but so far away<br>Everything that you've always dreamed of Close enough for you to taste

But you just can't touchYou wanna show the world, but no one knows your name yet
Wonder when and where and how you're gonna make it
You know you can if you get the chance
In your face as the door keeps slamming
Now you're feeling more and more frustrated
And you're getting all kind of impatient waiting
We live and we learn to take
One step at a time
There's no need to rush
It's like learning to fly
Or falling in love
It's gonna happen when it's
Supposed to happen that we
Find the reasons why
One step at a time You believe and you doubt
You're confused, and got it all figured out
Everything that you always wished for
Could be yours, should be yours, would be yours
If they only knew
You wanna show the world, but no one knows your name yet
Wonder when and where and how you're gonna make it
You know you can if you get the chance
In your face as the door keeps slamming
Now you're feeling more and more frustrated
And you're getting all kind of impatient waiting
We live and we learn to takeOne step at a time
There's no need to rush
It's like learning to fly
Or falling in love
It's gonna happen when it's
Supposed to happen that we
Find the reasons why
One step at a timeWhen you can't wait any longer
But there's no end in sight (when you need to find the strength)
It's the faith that makes you stronger
The only way you get there
Is one step at a timeTake one step at a time
There's no need to rush

It's like learning to fly
Or falling in love
It's gonna happen when it's
Supposed to happen that we
Find the reasons why
One step at a timeOne step at a time
There's no need to rush
It's like learning to fly
Or falling in love
It's gonna happen when it's
Supposed to happen that we
Find the reasons why
One step at a time
