

For blue, blue skies
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
For blue, blue skies
I'll forgive you.
