Paidway T.O - Why Would You Leave (feat. DDG) Devo this shit hard  
Baby, I love you, so why would you leave?

Don't make me get on my knees

Baby, I'm beggin' you please, remember them days on the East

We were so young, we were so heartless

I ain't been the same since we departed I remember you, you remember me

You know I don't feel it how it feel when your with me

You know ain't no bitches in the way when your with me

It's just you and m?, so let's talk about you and me

You be worri'd 'bout these bitches too much

When you really should be worried 'bout us

I don't know if it's love or lust

Either way I'm still gon' fuck

I don't really like to love too much

These days I don't give no fucks

We broke up damn that sucks

Baby, I love you, so why would you leave?

Don't make me get on my knees

Baby, I'm beggin' you please, remember them days on the East

We were so young, we were so heartless

I ain't been the same since we departed Why-why you wanna fight? Don't get me started

You make me so weak and I'm the hardest

Open back up to me, why you guarded

I know the shit I do sometimes retarded, yeah

Baby, I'm sorry come over, let's talk it out

Let's fix all of the shit that we fought about

'Member that time I took you to my mama house

Just remember the good when you walkin' out

We suppose to be together, what happen though?

You can't say that you love me, you cappin' though

You be mad about these bitches, just let 'em go

You be breakin' my heart, I need medical, mmm

Bae is this the ending?

Is it confirmed or is it pending?

Drowning in this Henny, do you miss me?

Baby, I love you, so why would you leave?

Don't make me get on my knees

Baby, I'm beggin' you please, remember them days on the East

We were so young, we were so heartless

I ain't been the same since we departed

Baby, I love you, so why would you leave?

Don't make me get on my knees

Baby, I'm beggin' you please, remember them days on the East
