

Hysteria

Joel Vaughn

Look at what you've done
Look at what you've done to me
Older but I feel young
Older but I feel young at the scene(PRE-CHORUS)
The colours burned away into my skin, I've been to prison there I've been
I am aware that it'll fade(CHORUS)
Hysteria
Hysteria
Invading us
Sustainable
Hysteria
Hysteria
Taking over
Taking over at the scene
(VERSE 2)
Till the edge of the earth
You take me to the edge of the earth
Everything is a blur
Everything is clearly blurred(PRE-CHORUS)
The colours burned away into my skin, I've been to prison, there I've been
I am aware that it'll fade(CHORUS)
Hysteria
Invading us
Hysteria
Taking over
Taking over
Hysteria
Hysteria
Invading us
Sustainable
Hysteria
Hysteria
Taking over
Taking over
(BRIDGE)
Nothing makes sense
Everything makes sense
Nothing makes sense
Everything makes sense to me
Nothing makes sense
Everything makes sense
Nothing makes sense

Everything makes sense to me(CHORUS)

Hysteria

Invading us
