

Battlefield

Jordin Sparks

Don't try to explain your mind
I know what's happening here
One minute it's love
And suddenly it's like a battlefield
One word turns into a war
Why is it the smallest thing that tear us down?
My world's nothing when you don't
I'm not here without a shield
Can't go back down
Both hands, tied behind my back with nothing
Oh no, these times when we climb so fast to fall again
Why we gotta fall for it now
I never meant to start a war
You know I never wanna hurt you
Don't even know what we're fighting for
Why does love always feel like a battlefield
A battlefield, a battlefield?
Why does love always feel like a battlefield
A battlefield, a battlefield?
Why does love always feel like
Can't swallow our pride
Neither of us wanna raise that flag
If we can't surrender then we both gonna lose
What we had, oh no
Both hands tied behind my back with nothing
Oh no, these times when we climb so fast to fall again
I don't wanna fall for it now
I never meant to start a war
You know I never wanna hurt you
Don't even know what we're fighting for
Why does love always feel like a battlefield
A battlefield, a battlefield?
Why does love always feel like a battlefield
A battlefield, a battlefield?
I guess you better go and get your armor
Get your armor
I guess you better go and get your armor
Get your armor
I guess you better go and get your
We could pretend that we are friends tonight
And in the morning we'll wake up and we'll be alright
'Cause baby, we don't have to fight
And I don't want this love to feel like
A battlefield, a battlefield, a battlefield
Why does love always feel like a battlefield
A battlefield, a battlefield
I guess you better go and get your armor
I never meant to start a war
You know I never wanna hurt you
Don't even know what we're fighting for
Why does love always feel like a battlefield
A battlefield, a battlefield?
Why does love always feel like a battlefield
A battlefield, a battlefield?

I guess you better go and get your armor
Get your armor
I guess you better go and get your armor
Get your armor
Why does love always feel like?
Why does love always feel like?
A battlefield, a battlefield
I never meant to start a war
Don't even know what we're fighting for
I never meant to start a war
Don't even know what we're fighting for
