

Drunk Like You

The Cadillac Three

Sitting at the bar with a shot and a cold beer, neither one's doing the job
In through the swinging door, straight to the dance floor, intoxicating, there you are
Addiction is a crazy thing, oh, what you do to me Nothing gets me drunk like you, even
whiskey can't do
What you do when you kiss me that way,
That black label lipstick, 90 proof hits quick,
Top shelf tangled in my veins
It's dangerous, I want to drink you on up,
Can't get enough, keep filling up my cup
Nothing gets me drunk like you,
Nothing gets me drunk like you Girl, you make a fellow want to tie one on, I'm talking dizzy,
tangled up in the sheets
Sip, sip, sip you, baby, 'til you're gone, and then hang over all over me,
Hang over all over me
Nothing gets me drunk like you, even whiskey can't do
What you do when you kiss me that way,
That black label lipstick, 90 proof hits quick
Top shelf tangled in my veins Nothing gets me drunk like you, even whiskey can't do
What you do when you kiss me that way,
That black label lipstick, 90 proof hits quick,
Top shelf tangled in my veins
It's dangerous
I wanna drink you on up, can't get enough
keep filling up on my cup
Nothing gets me drunk like you,
Nothing gets me drunk like you Nothing gets me drunk like you, even whiskey can't do
What you do when you kiss me that way,
That black label lipstick, 90 proof hits quick,
Top shelf tangled in my veins
Nothing gets me drunk like you, even whiskey can't do
What you do when you kiss me that way,
That black label lipstick, 90 proof hits quick,
Top shelf tangled in my veins
It's dangerous, I want to drink you on up,
Can't get enough, keep filling up my cup
Nothing gets me drunk like you,
Nothing gets me drunk like you
It's dangerous
Nothing gets me drunk like you,
Nothing gets me drunk like you
