

# For Reasons Unknown

## The Killers

I pack my case  
I check my face  
I look a little bit older  
I look a little bit colder  
With one deep breath  
And one big step  
I move a little bit closer  
I move a little bit closer For reasons unknown I caught my stride  
I flew and flied  
I know if destiny's kind  
I've got the rest of my mind  
But my heart, it don't beat  
It don't beat the way it used to  
And my eyes, they don't see you no more  
And my lips, they don't kiss  
They don't kiss the way they used to  
And my eyes don't recognize you no more For reasons unknown  
For reasons unknown There was an open chair  
We sat down in the open chair  
I said, if destiny's kind  
I've got the rest of my mind But my heart, it don't beat  
It don't beat the way it used to  
And my eyes, they don't see you no more  
And my lips, they don't kiss  
They don't kiss the way they used to  
And my eyes don't recognize you, at all  
For reasons unknown  
For reasons unknown See, my heart, it don't beat  
It don't beat the way it used to  
And my eyes don't recognize you no more  
And my lips, they don't kiss  
They don't kiss the way they used to  
And my eyes don't recognize you no more For reasons unknown  
For reasons unknown  
For reasons unknown  
For reasons unknown
