What words can I use to explain this feeling?  
How can I look at you so you'll know my heart?  
As I go through the seasons with you, walk with you  
And slowly get to know youWherever you are  
I am loving you  
I won't rush you  
I'll protect you from behind youI will be with you  
I will go to you  
I will be with you  
Always, my love for youI want to be in the same time as you  
I want to be in the same place as you  
I'll slowly walk to where you are  
Because I believe it's like practice to go to youWherever you are  
I am loving you  
I won't rush you  
I'll protect you from behind youI will be with you  
I will go to you  
I will be with you  
Always, my love for youWoo  
Will you answer me?  
Wooo  
Promise meAfter a long time has passed  
I wonder if you'll know my heart then
