## **Pure Imagination (with Seth MacFarlane)**

## **Barbra Streisand**

Come with me

And you'll be

In a world of

Pure imagination

Take a look

And you'll see

Into your imaginationWe'll begin

With a spin

Traveling in

The world of my creation

What we'll see

Will defy

Explanation

If you want to view paradise

Simply look around and view it

Anything you want to, do it

Wanta change the world?

There's nothing

To itThere is no

Life I know

To compare with

Pure imagination

Living there

You'll be free

If you truly wish to belf you want to view paradise

Simply look around and view it

Anything you want to, do it

Wanta change the world?

There's nothing

To it

There is no

Life I know

To compare with

Pure imagination

Living there

You'll be free

If you truly

Wish to be
