

Love In Your Eyes (7" Version)

[Limahl](#)

I feel a presence in the air of something special something rare. Love in your eyes is the reason
why

Holding the secret's a certain prize.

Love in your eyes is the flame

that makes me feel so warm inside. Were silent wishes to be heard it would express that single
word.

Love in your eyes is the reason why . . . It suddenly takes you by the hand
And leads you through the promised land.

Is this really happening to me and you? A thousand words could not describe
this precious way I feel alive.

Love in your eyes is the reason why . . .

Build your love on a strong foundation

And you will feel the sweet sensation -

And you will feel the sweet sensation -

And you will feel the sweet sensation -

And you will feel the sweet sensation.
